Independent Auditor's Report

To the Members of Community Living York South

We have audited the financial statements of Community Living York South (the "Association"), which comprise the statement of financial position as at March 31, 2024, the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2024, and its results of operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of the Association for the year ended March 31, 2023, were audited by another auditor who expressed an unmodified opinion on those statements on June 15, 2023.

Responsibilities of Management and Those Charged with Governance for the Financial **Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Significant Accounting Policies

Nature and Purpose of Organization

Community Living York South (the "Association") is a charitable organization established to provide facilities and services to individuals with intellectual disabilities in the southern sector of York Region. The Association is incorporated under the laws of Ontario without share capital and is registered as a charitable organization with the Canada Revenue Agency and, accordingly, is exempt from income taxes. The Association is dependent upon the continued support from the Ministry of Children, Community and Social Services ("MCCSS"). The Association receives a substantial amount of funding from the MCCSS, pursuant to the service contract entered into by both parties.

Basis of Accounting

The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.

Revenue Recognition

The Association follows the deferral method of accounting for contributions, which includes donations and government grants. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted are recorded as deferred contributions and recognized as revenue in the year in which the related expenses are recognized. Deferred contributions related to capital assets represents the unamortized amounts of grants received for the purchase of capital assets. Contributions restricted for the purchase of capital assets are amortized into revenue on a straight-line basis, at a rate corresponding with the amortization rate of the related capital assets.

Deferred contributions related to future expenses represent contributions held in trust for which the related expenses have not yet been incurred. Any unrealized gains and losses on the underlying investments are included in total deferred contributions related to future expenses. When the expenses are incurred, an equivalent amount is recognized as revenue.

Revenues related to user fees, income from services rendered and investment income is recorded as it is earned.

Passport revenues are received by managing the annual approved passport funding that individuals receive from Developmental Services Ontario. Additionally, the Association also receives revenues from administrative fees on services provided.

Short-term investments

Short-term investments consists of equity instruments, mutual funds and term deposits with a maturity period of less than three months at the date of acquisition.

March 31, 2024

1. Significant Accounting Policies (continued)

Contributed Services

Volunteers contribute many hours per year to assist the Association in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

Tangible Capital Assets

Purchased tangible capital assets are stated at cost less accumulated amortization. Expenditures for repairs and maintenance are expensed as incurred. Betterments that extend the useful life of the tangible capital asset are capitalized.

Amortization is calculated on a straight line basis over the estimated useful life of the asset is calculated as follows:

	Method	Rate
Building	Straight-line	20 years
Furniture and equipment	Straight-line	5 years
Computer hardware	Straight-line	3 years
Vehicles	Straight-line	3 years
Leasehold improvements	Straight-line	3 years

When a tangible capital asset no longer contributes to an Association's ability to provide goods and services, or the future economic benefits or service potential of the tangible capital asset is less than its carrying value, the excess of its net carrying amount over its fair value or replacement cost is recognized as an expense in the statement of operations. Any unamortized deferred contribution amount related to the tangible capital asset is recognized in revenue in the statement of operations, provided that all restrictions have been complied with.

March 31, 2024

1. Significant Accounting Policies (continued)

Financial Instruments

Arm's length financial instruments are recorded at fair value at initial recognition.

In subsequent periods, equities traded in an active market are reported at fair value, with any change in fair value reported in income.

All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.

Financial assets are tested for impairment when indicators of impairment exist. When a significant change in the expected timing or amount of the future cash flows of the financial asset is identified, the carrying amount of the financial asset is reduced and the amount of the write-down is recognized in net income. A previously recognized impairment loss may be reversed to the extent of the improvement, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously, and the amount of the reversal is recognized in net income.

The Association's financial assets comprise of short-term investments and long-term investments which are recorded at fair value; and cash and accounts receivable which are recorded at amortized cost. The Association's financial liabilities comprise of accounts payable and accrued liabilities and mortgages payable which are recorded at amortized cost.

Use of Estimates

The preparation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. The principal estimates used in the preparation of these financial statements are allowance for doubtful accounts, the useful life of capital assets and accrued liabilities. Actual results could differ from management's best estimates as additional information becomes readily available in the future.

March 31, 2024

2. Accounts Receivable

	 2024	2023
Trade accounts receivable HST receivable Provincial government subsidies receivable	\$ 377,500 144,440 -	\$ 265,636 176,964 10,000
	\$ 521,940	\$ 452,600

3. Short-term Investments

The carrying amounts of investments are comprised of the following:

	20	24	20)23
	Cost	Market	Cost	Market
Bond funds Equities	\$ 2,068,176 2,007,640	\$ 2,051,268 2,450,635	\$ 2,068,886 1,987,811	\$ 2,069,337 2,155,770
	\$ 4,075,816	\$ 4,501,903	\$ 4,056,697	\$ 4,225,107

4. Long-term Investments

The carrying amounts of investments are comprised of the following:

	 2024			2023		
	Cost		Market	Cost		Market
Fixed income funds Equities	\$ 162,715 54,725	\$	165,904 66,799	\$ 96,160 54,082	\$	96,172 58,648
	\$ 217,440	\$	232,703	\$ 150,242	\$	154,820

The fixed income funds and equities are held in trust for the funding of future scholarships, which are included in deferred contributions related to future expenses.

March 31, 2024

5. Tangible Capital Assets

	20)24	2023		
	Cost	Accumulated Amortization	Cost	Accumulated Amortization	
Land Building Furniture and equipment Computer hardware Vehicles Leasehold improvements	\$ 3,138,398 11,986,797 983,764 555,248 1,291,816 174,709	\$ - 8,586,271 786,925 524,406 945,954 161,717	\$ 3,138,398 11,186,351 871,014 529,178 1,002,555 159,118	\$ - 8,022,616 728,832 456,879 787,520 159,118

Net book value		\$ 7,125,459		\$ 6,731,649	

Major funding for the acquisition of certain properties was received from the Ministry of Children, Community and Social Services. The Association is therefore not able to dispose of these properties or to use the assets for other purposes without the consent of the MCCSS. If any such properties are sold and the proceeds of sale are not reinvested in another approved property within the fiscal year that the property is sold, a portion of the proceeds based on the previous funding grants may be repayable to MCCSS

6. Accounts Payable and Accrued Liabilities

Included in accounts payable and accrued liabilities are government remittances payable of \$434,334 (2023 - \$380,331).

March 31, 2024

7. Mortgages payable

	 2024	2023
Scotiabank - First mortgage payable, fixed interest rate of 2.5%, repayable in monthly blended principal and interest payments of \$3,350, due November, 2025 Peoples Trust Company - First mortgage payable, fixed interest rate of 2.150%, repayable in monthly blended principal and interest payments of \$1,611,	\$ 65,557	\$ 103,608
due January, 2026	34,723	53,097
Less: current portion of mortgages payable	 100,280 57,779	156,705 56,425
Non-current portion of mortgages payable	\$ 42,501	\$ 100,280

The mortgages payable to Scotiabank and Peoples Trust Company have been arranged through the Ministry of Municipal Affairs and Housing. The mortgages payable are secured by specific charges to the buildings. The net book value of the buildings as at March 31, 2024 was \$179,264 (2023 - \$148,187).

Principal repayments on mortgages payable over the next two years are as follows:

2025 2026	\$ 57,779 42,501
	\$ 100,280

March 31, 2024

8. Deferred Contributions Related to Capital Assets

Deferred contributions related to capital assets represent the unamortized portion of contributed capital assets and restricted contributions used to purchase capital assets. The changes in the deferred contributions balance for the period are as follows:

	2024	2023
Beginning balance Add: contributions received	\$ 630,027 \$ 140,000	747,883 60,000
Ending balance Less: amortization of deferred contributions related to capital assets	770,027 (167,257)	807,883 (177,856)
Ending balance Less: current portion	 602,770 97,808	630,027 167,257
Non-current portion	\$ 504,962 \$	462,770

9. Invested in Capital Assets

Investment in capital assets, represents the unamortized value of capital assets funded using internal unrestricted resources, net of outstanding debt, and is calculated as follows:

	_	2024	2023
Capital assets, net (Note 5) Less: mortgages payable (Note 7) Less: unamortized deferred capital contributions used	\$	7,125,459 (100,280)	\$ 6,731,649 (156,705)
to purchase capital assets (Note 8)	_	(602,770)	(630,027)
	\$	6,422,409	\$ 5,944,917
The net change in net assets invested in capital assets is calculat	ed a	as follows:	
	_	2024	2023
Amortization of deferred contribution related to capital			
assets	\$	167,257	\$ 177,856
Less: Amortization of capital assets		(850,306)	(663,087)
Additions to capital assets		1,244,116	1,237,233
Less: Deferred contributions related to capital assets		(140,000)	(60,000)
Mortgages payable		56,425	55,102
	\$	477,492	\$ 747,104

March 31, 2024

10. Restrictions on Net Assets

The Board of Directors have internally restricted a total amount of \$3,000,000 (2023 -\$3,000,000) which consists of \$2,800,000 (2023 - \$1,100,000) for working capital purposes, \$200,000 (2023 - \$200,000) for contingencies and \$Nil (2023 - \$1,700,000) for purchase of single-story property.

On April 10, 2024 the Board of Directors approved changes to internally restricted balances by transferring \$1,700,000 that was previously designated for purchase of single-story property towards working capital needs.

11. Capital reserve

The capital reserve represents balances set aside for the Dedicated Supportive Housing program.

12. Economic Dependence

In 2024 the Association received approximately 87% or \$17,283,181 (2023 - \$17,028,139 or 88%) of its funding from the Ministry of Children, Community and Social Services. Annual funding is based on the approved budget

13. Indemnification of Officers and Directors

The Association has indemnified its past, present and future directors, officers, employees and volunteers against expenses (including legal expenses), judgments, and any amount actually or reasonably incurred by them in connection with any action, suit or proceeding in which the directors are sued as a result of their service, if they acted honestly and in good faith with a view to the best interest of the Association. The nature of the indemnity prevents the Association from reasonably estimating the maximum exposure. The Association has purchased directors and officers liability insurance with respect to this indemnification.

14. Financial Instruments

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with the same counterparty; or of financial obligations which have similar economic characteristics such that they could be similarly affected by changes in economic conditions. The Association's financial instrument that is exposed to concentrations of credit risk relate to its accounts receivable.

The Association does not believe it is subject to any significant concentration of customer credit risk as accounts receivables are generally the result of fees billed to the Associations clients and grant receivables.

There have not been any changes in the risk from the prior year.

March 31, 2024

14. Financial Instruments (continued)

Liquidity risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Association will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. The Association is exposed to this risk mainly in respect of its accounts payable and mortgages payable.

The Association's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient cash flows to fund its operations and to meet its liabilities when due, under both normal and stressed conditions. The Association maintains a portion of its invested assets in liquid securities.

There have not been any changes in the risk from the prior year.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Association is exposed to currency risk through securities denominated in a currency other than Canadian dollars.

The Association considers this risk to be acceptable and therefore does not hedge its foreign exchange rate risks.

The risk has not changed from the prior year.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Association is exposed to interest rate risk arising from the possibility that changes on interest rates will affect the value of fixed income denominated investments and the value of its mortgages payable.

The Association mitigates interest rate risk on investments by diversifying the investments through their treasury risk management policies. These policies specify various investment parameters, including eligible types of investments, maximum maturity dates, maximum exposure by counterparties and maximum credit rates.

There have not been any changes in the risk from the prior year.

March 31, 2024

14. Financial Instruments (continued)

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Association is exposed to other price risk through its investments in equities both short-term and long-term. The Association has an investment policy to ensure that the Association is managing its financial risk on its investments in accordance with this policy.

The risk has not changed from the prior year.

15. Comparative Figures

Certain comparative figured have been reclassified to conform to the current year presentation.
